

GUNDERLOCH RIESLING RHEINHESSEN
ROTHENBERG
TROCKENBEERENAUSLESE 2021

Let me introduce you to the soul of the peach! Already at this age this has an overwhelming aromatic intensity and is pristine on the nose. The very focused palate has a stunning combination of enormous concentration and great elegance. So precise and so delicate at the almost endless finish. From organically grown grapes. Vegan. Very limited production. Drink or hold. Screw cap.
