

GUNDERLOCH RIESLING RHEINHESSEN ROTHENBERG GG 2021

Complex nose with everything from mandarin orange and ripe melon to fresh basil, mint and tarragon notes. Still youthful, but it already shines. Elegant and filigree, as we expect from this terroir, with fine tannins discreetly underlining this. Long, delicate finish that has a stack of wild herb and wet stone minerality. From organically grown grapes. Vegan. Drink or hold. Screw cap.
