

GUNDERLOCH RIESLING RHEINHESSEN JEAN BAPTISTE KABINETT 2021

Super-bright and vibrant, but with a wide spectrum of aromas from green apple to papaya and pomegranate. The freshness takes your breath away! Samurai sword clarity at the finish would be too much for a dry wine, but with this generous touch of grape sweetness it's really exciting. A cuvee of the earliest and latest picked grapes of the vintage. From organically grown grapes. Vegan. Drink or hold. Screw cap.
